Appendix A - Delivery schedule

Weekly schedule

Monday and Thursday deliveries between 05:00 and 07:00. Tanker access through Gate 2 only. The shift supervisor confirms each delivery in the depot log.

Volumes

Planned weekly volume is split 60/40 between the Monday and Thursday deliveries. Changes above 10% require a new addendum.

Contacts

Depot 4 shift supervisor, Operations manager, Finance officer on duty. Escalations go to the Operations manager first.

Acknowledgement

The receiving supervisor initials each page to confirm the schedule has been read.
