Fuel Supply Addendum - Depot 4

This addendum updates the internal fuel supply arrangement for Depot 4. It records the changes agreed between Operations and Finance and requires both departments to approve before it takes effect.

1. Purpose

To adjust the weekly diesel allocation for Depot 4 to match the extended night shift schedule on the Koroglu route.

2. Changes

Weekly allocation: [NEW VOLUME] litres, replacing [CURRENT VOLUME] litres. Delivery window: [DELIVERY DAYS AND TIMES]. Cost centre: [COST CENTRE].

3. Effective date

This addendum takes effect on [EFFECTIVE DATE] and remains in place until the next quarterly fuel review.

4. Approval

By signing below, each approver confirms they have reviewed the changes above.
